

# PHRONESIM

**ENGINEERING SIMULATION  
STRATEGY SOLUTIONS**

## ORGANISATION

Starting by understanding your goals, needs and current position across all the key stakeholders.

**Business  
Leader**

**Engineering  
Director**

**Project /  
Programme  
Manager**

**Component  
/ System  
Engineer**

**Simulation  
Manager**

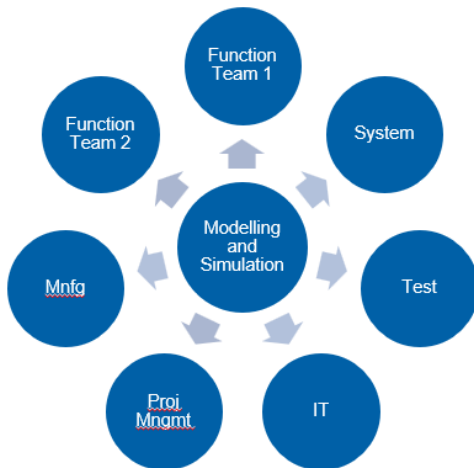

**Simulation  
Engineer**

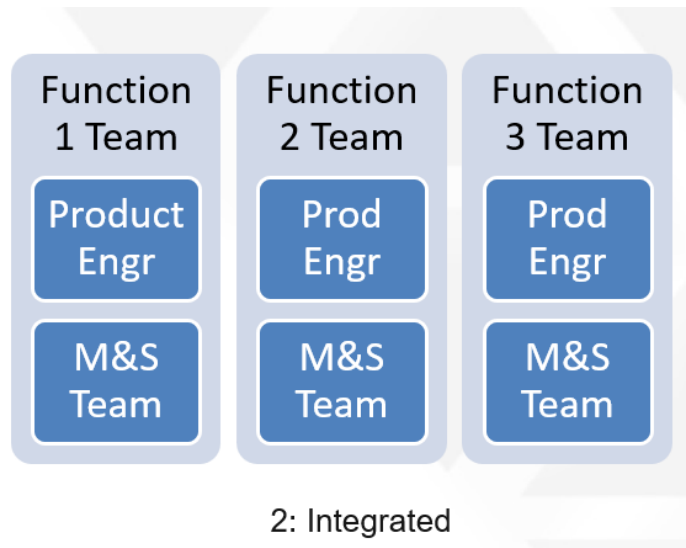

**Method  
Developer**

Considering Organisation Models

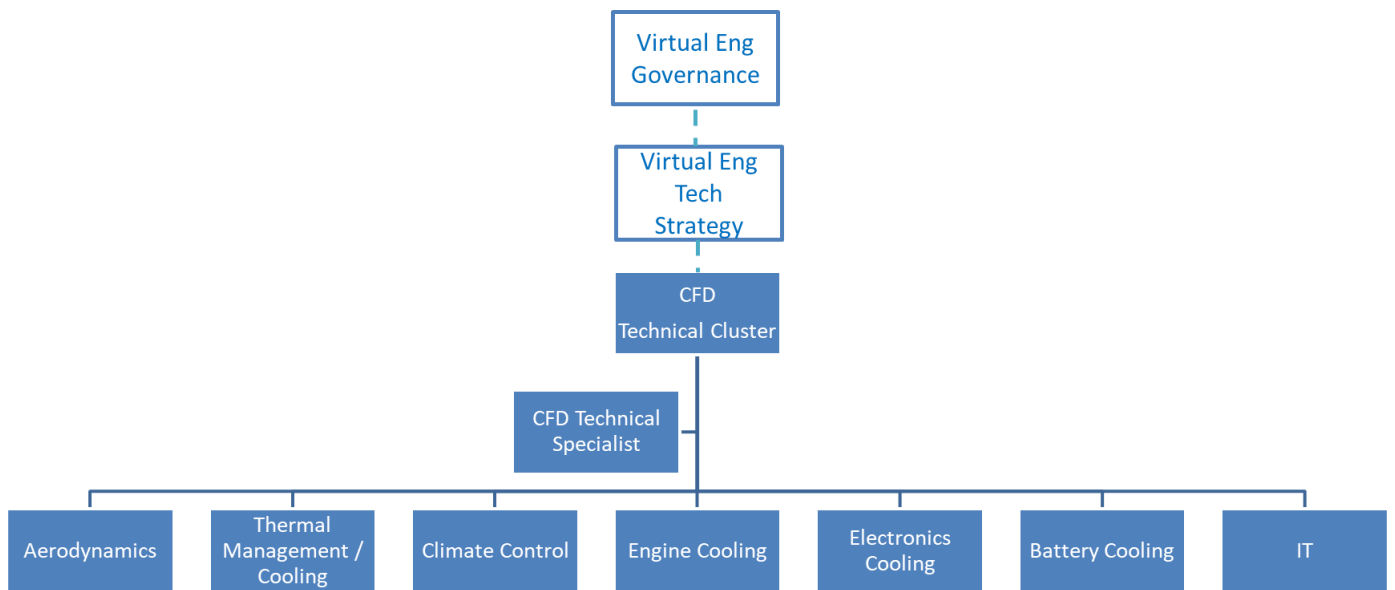

1: Fully Centralised

2: Integrated

And how to best organise the Simulation and Modelling Strategy for sustained success in creation and implementation.
